We do offer free mobile auto glass services in the Phoenix metropolitan area, and love the east valley!

2010 Mercedes CLK350

Our free mobile auto glass services have smaller service

windows, often with same day service, so you don't have to dedicate your whole day waiting for us to fix your broken windshield, which typically takes less than an hour. We also have very competitive and affordable prices for our auto glass installations, leaving out bogus fees that others get you with AFTER your quoted price, such as a "Mobile Fee" or "Disposal Fee." We have low, affordable, cheap windshield and other auto glass costs.

2008 Jaguar XKR

We also don't hike up the price just because you own an Infiniti, Acura, Lexus, Mercedes, or BMW. Our mission is to keep affordable auto glass in mind because we too are the average consumer, trying to save you money with a quality auto glass repair or auto glass replacement, with family owned and operated friendly free mobile service!

2001 Porsche Boxster

With frequent same day service, low, affordable, cheaper auto glass quotes, and multiple discounts keeping down auto glass costs, as well as smaller windows for the auto glass

installation itself, why choose anyone else?

Windshield replacements are the most frequent type of auto glass replacement. From Phoenix to Mesa and surrounding cities, our free mobile windscreen replacement service will get you back on the road safely and quickly. We have affordable windshield replacement cost, so the next time you have a windshield crack and the damage exceeds the length of a credit card, give us a call and we can give you a low windshield replacement quote online and can often get out to you with our same day free mobile windshield replacement

services with our cheap windshield replacement prices. We also handle windshield replacement with State Farm insurance, and many others. [More](#)

Back Glass, Door, Vent, and Quarter Glass Replacement

The car rear glass, as well as the side car doors, including the vent and quarter glass, is also tempered. The back glass is sometimes referred to as the rear windshield. With the majority of car glass being tempered, it can leave quite a mess when broken. So if your truck window or car window glass is in need of repair or replacement, [let us know](#). [More](#)

Windshield Repair

If the windshield crack is smaller than a credit card, then a windshield crack repair would be best, unless the damage is anywhere in the peripheral vision or the direct line of view, depending on the size of the damage. Repairing windshields are often preferred by both the consumer and your insurance company. Call us for your mobile windshield repair for quick and efficient free mobile, windshield repairs. We'll fix windshields first, before replacing them, if that's what's necessary! Our windshield repair cost is better than the rest so [contact us](#) for a windshield repair quote. [More](#)

Side Window / Door Glass Replacement

Does your car window need to be fixed? Most people are unaware that a rock can kick up from the road and hit their vehicle window, but it happens all the time. The auto side window typically isn't laminated like the front windshield. This is for safety reasons, although broken car glass can make a big mess. When you are in need of a car window repair, [contact us](#). We can replace your auto door glass the same day! [More](#)

Sunroof Glass Replacement

Sun roof and moon roof glass replacement is something 1st shot auto glass has been beginning to specialize in with the frequency of higher demand. We deal in OEM auto glass for your sunroof glass as well as reconditioned sunroof glass and even used sunroof glass. [More](#)
