

SB 1169 – The Auto Glass Zero Deductible Elimination

End Of The Auto Glass Waiver?

The new bill, SB 1169, would change current legislation to read “may offer,” rather than “shall offer.” This is another attempt to put an end to “cash back” promotions, in order to help cut down on insurance fraud. With a landscape of rocks in Arizona, it’s inevitable to eventually need a windshield replacement. Here are a couple sources to check out regarding this Senate bill:
